About us

Welcome to Thygesen Textile Vietnam!

We are proud to be part of Thygesen Textile Group (Denmark) with quality in designing consultancy, manufacturing and delivering textile goods to the world market.

Learned from over 90 years of experience, we've gained a reputation in **OEM/ODM** manufacturing. Our ambition is to create innovative SOLUTIONS for all your brand's needs.

Our factories are equipped with automatic machines, functioning under the LEAN manufacturing system. The annual capacity for the first phase is 5,000,000 garments, and for the second phase is 10,000,000 garments.

To ensure high-quality standards, our quality management system adheres to **ISO 9001:2015**. Additionally, we have obtained prestigious **certificates such as SA8000, WRAP, OEKO-TEX® STeP, GOTS, OCS, GRS, FSC**.

As you embark on this journey through our catalog, envision the possibilities that unfold with Thygesen. We invite you to explore our products, discover the excellence within, and join us in redefining standards in fashion industry.

With a keen focus on both woven and knit apparel, Thygesen is committed to offering the safest and most comfortable children's clothing.

We can provide an extensive range of **GOTS, GRS, OEKO-Tex** certified fabrics, namely cotton, supima cotton, organic cotton, tencel, bamboo, modal, viscose, polyester, recycled polyester, nylon, econyl,...
